

Agreement Suppliers

Introduction

The Real Estate Industry Award 2010 (award) requires that all employees in Queensland have:

- a written agreement with their employer; **and**
- that agreement registered with QPIR.

This information sheet provides a list of agreement suppliers.

Realworks is the forms generating package of the REIQ. It can provide agreements for the following employment categories:

Realworks agreements are a low-cost no-frills option, and generally compliant if they are filled in correctly (it's easy to make mistakes).

Questions?

Employers with questions about the above should contact REEA. Non-REEA members are asked to firstly visit the REEA web site (www.reea.org.au) and submit a membership application.

Employees may contact the PSAQ (www.psaq.com.au), again after submitting a membership application.
